**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Where I live in San Francisco, there is very limited choice in terms of Internet providers. I was recently able to switch to fiber, which has made a huge difference. We need to encourage more of these types of offering to be developed. In Europe for example, people enjoy much faster Internet for much cheaper prices, at least in large cities. We need to support all that can be done for the US to provide a similar environment.
